NB: Tourism Regulations Applicable in The Current COVID-19 Public Regulations Measures from 01 July to 15 July 2021 is expanded in line with existing general populace regulations as outlined in Government Gazette No. 256: Public Health Covid-19 General Regulations: Public and Environmental Health Act, 2015 and all COVID-19 measures and amendments issued by 30 June 2021. Find below new tourist dispensation guidelines:

1. Definitions

“Accommodation establishments” mean facilities for overnight stay and the services commonly associated therewith, including facilities provided for on the premises where camping in caravans, tents or similar structures are allowed and are validly registered with the Namibia Tourism Board in accordance with the Namibia Tourism Board Act, 2000 (Act 21 of 2000).

“Tourism service providers” mean those businesses declared regulated in terms of section 23 of the Namibia Tourism Board Act, 2000 (Act 21 of 2000), and who are validly registered with the Namibia Tourism Board.

“Tourist” means for the purposes of these regulations foreign visitors traveling to Namibia away from his or her normal place of residence from outside the boundaries of Namibia, for recreational or business purposes.

2. Entry Requirements for Tourists into Namibia

2.1 Tourists must have:

(a) A valid negative SARS-COV-2 PCR Test not older than seven (7) days upon entry into Namibia through ports of entry designated by the Ministry of Home Affairs, Immigration, Safety and Security; and

(b) Documentation with full travel itinerary including proof of confirmation of bookings, which must be presented on demand to authorised officials at ports of entry or roadblocks.

2.2 Tourists, travelling without a guide, will not be required to obtain a permit, provided points 2.1 a) and b) are complied with.

3. Transportation of Tourists

3.1. Tourists who travel in a group and have hired a vehicle for self-drive tour purposes are allowed to have the maximum number of permitted passengers as provided for in terms of the type of vehicle being used.

3.2. Tourists who are on a group tour in a vehicle (including light aircrafts) operated by a tourism service operator can carry the maximum allowable passenger numbers, provided that such

tourists as passengers wear masks and sanitizer is available on board the vehicle/aircraft for regular use.

3.3. Only closed groups are allowed to travel in the same vehicle during the duration of that specific tour, provided that the loading capacity mentioned above is never exceeded, inclusive of the guide and the driver.

3.4. Converted tourist vehicles, aircrafts and boats, used for tourism activity operations, are permitted to transport tourists equal to the official carrying capacity of such vehicles, aircrafts or boats – provided all health protocols such as wearing of masks and provision of sanitisers are met – and in line with the Namibia Tourism Board toolkit guidelines. This is applicable to hunting vehicles, game-viewing vehicles used at lodges, scenic flights, activity operators and marine cruises.

3.5. Shuttle operators are allowed to transport tourists from the same group at full passenger carrying capacity, provided that the tourists wear masks and sanitizer is available on board the vehicle for regular use.

4. Registration of Accommodation Establishments Requirements

4.1. Accommodation establishments, operating within town or settlement boundaries, are required to have a valid Namibia Tourism Board registration certificate and health fitness certificate issued by the local authority. If the accommodation establishment is operating in an area outside the jurisdiction of the local authority a health fitness certificate must be obtained from the Ministry of Health and Social Services.

5. Registration Requirement for Tourism Service Providers

5.1. Tourism service providers who conduct tours and guiding services must have a valid permit issued by the Ministry of Environment, Forestry and Tourism.

5.2. Foreign tour guides will be required to obtain the necessary permits to transit Namibia if the tour is transnational.

5.3. Drivers and tour guides accompanying any tour must have a valid permit issued by the Ministry of Environment, Forestry and Tourism as provided for in the amended Regulations.
